

The Biggest Gathering of Wood Processing Machinery Industry in Eurasia: WoodTech 2024

Organized by RX Tüyap, in collaboration with the Woodworking Machinery Manufacturers Association (AİMSAD) and supported by the European Federation of Woodworking Machinery Manufacturers (EUMABOIS), along with the support of the Ministry of Trade of the Republic of Turkey, WoodTech - the 37th International Woodworking Machinery, Cutting Tools, Hand Tools Fair will be held at Tüyap Fair and Congress Center in Istanbul between October 12-16, 2024.

What to expect at Eurasia's Largest Woodworking Machinery Fair WoodTech 2024?

WoodTech Fair, the largest specialized fair of the woodworking machinery industry in Eurasia, brings together leading Turkish and international companies in fields such as wood cutting, woodworking and CNC machines, electrical and mechanical hand tools, cutting tools and wood technology. At the fair, the latest technology products and services will be introduced to industry professionals.

Woodworking Industry Meets in Istanbul to do Business

WoodTech 2024 will host buyer delegations not only from Türkiye but also from all around the world to meet and network with the exhibiting companies. This year, visitors from 120+ countries are expected to come to Istanbul on the occasion of WoodTech, mainly from the Middle East, the Balkans, North Africa, Russia and surrounding countries, as well as the UAE, USA, UK, Poland, Italy, France, Spain, Serbia, Jordan, Lebanon, Algeria, Tunisia and Morocco.

Global Connections Are Strengthened with International Promotional Activities

Poland: Europe's Furniture Production Base

Being one of Europe's important furniture production bases, Poland is a critical export market for the Turkish woodworking machinery companies. Therefore, at the All4Wood Fair held in Warsaw on May 14-16, 2024, WoodTech was introduced to the Polish market and one-on-one meetings were held with furniture manufacturers, associations and publications coming from all across Poland, and many Polish furniture manufacturers were invited to the WoodTech Fair.

Italy: Leading Country in Furniture Production

Italy, known worldwide for furniture production and design, plays a major role being an export market for Türkiye's woodworking industry. At the Xylexpo Fair held in Milan on May 21-24, 2024, WoodTech was promoted to the Italian market, where Italian furniture industry representatives were informed about the WoodTech Fair.

Fair Tickets are Free until July 12

As the gateway of Turkish companies to the world, WoodTech Fair serves as a driving force in continuing commercial activities worldwide, entering new markets and competing with global competitors. Visitors who want to come to the fair can benefit from the free ticket opportunity until July 12, 2024. You can visit www.woodtechistanbul.com for more information where you can also find out which companies have already confirmed their participation at the upcoming WoodTech Fair on October 12-16, 2024 in Istanbul.
